### NEW BUSINESS

Mrs. Diane Massa presented a list of equipment, owned by PCES, that is obsolete and can no longer be used for its intended purpose. She asked that the Board grant permission for its disposal. Dr. Nathan Kleefisch made a motion to approve the disposal of the listed obsolete equipment. Mrs. Amanda Alaniz seconded the motion. All were in favor. The motion passed unanimously.

Mrs. Diane Massa then provided the Board with information on the recently reviewed process and materials related to the PCES evaluation of certified staff. She noted that the process and materials were the final outcome of the work done by a joint committee made up of representatives from the Special Education Teachers' Association (SETA), other PCES certified staff representatives, and several PCES administrators. Having reviewed materials, a brief discussion ensued wherein various Board members noted the thoroughness of the materials presented. The Board extended their thanks to the committee for the excellent work that they had done. Dr. Ginger Bolinger made a motion to approve the evaluation system for PCES certified staff. Dr. Julie Lauck seconded the motion. All were in favor. The motion passed unanimously.

### PUBLIC PARTICIPATION

Danielle Zeceovich commented on the product of the teacher evaluation committee indicating that she was disappointed in the failure to establish observation deadlines. Ms. Black and Mr. Smith agreed, further indicating that staff might suffer professional and financial repercussions if negative feedback is provided too close to the end of the year. When asked if staff concerns had been brought to the attention of the PCES administration, Ms. Zeceovich stated that some staff might be apprehensive to do so. The Board responded, however, that a concern cannot be addressed when it is not shared. Ms. Zeceovich also noted that it was her understanding that the evaluation materials would not be presented to the Board as early as the June meeting. Mrs. Massa responded that the committee had indicated to her that their work was completed and ready for Board approval.

On a separate topic, Ms. Zeceovich stated that she was appreciative of Mr. Groth's effort to provide summer professional development. While commenting that the designated days are beyond the school year, she anticipated the days to be of value to her professionally.

In response to Dr. Rod Gardin's inquiry as to any other public participation items, Mrs. Diane Massa asked those present to join her in recognizing Dr. Gardin, who will leave East Porter County as its superintendent at the end of June, 2018. Mrs. Massa highlighted Dr. Gardin's extraordinary contribution to the students, parents and staff members associated with Porter County Education Services as a Board Member for 13 years and as the Board President for 10 of those years. She praised Dr. Gardin for his leadership and guidance, but mostly for his "kids first" approach to education for all students. Board Members, other administrators and those members of the public joined in offering Dr. Gardin their thanks and well wishes in his next professional endeavor.

**ADJOURNMENT/OTHER** The next meeting will be held on Tuesday, July 10th, 2018 with the Executive Session at 8:00 a.m. and the public meeting at 8:30 a.m. There being no other business Dr. Nathan Kleefisch made a motion to adjourn; Dr. Julie Lauck seconded the motion. Respectfully submitted,

## Components of the PCES Evaluation System (5-29-18):

Every teacher will be evaluated **annually**.

Evaluation will include **multiple measures** of teacher performance, and growth data must be one of the measures.

Evaluation will include **four rating categories**: Highly Effective, Effective, Improvement Necessary, and Ineffective.

Evaluation will include a minimum of **two observations** per year. Each observation

- will last a minimum of 30 minutes
- one observation will be scheduled
- one observation will be scheduled or unscheduled
- includes written feedback\* within ten school days of the observation
- includes one observation per semester.

\*Teachers may inquire of the evaluator whether a visit will result in the written feedback noted above.

A staff member may request one additional observation, if after discussion with the evaluator, it is agreed that there is potential for positive impact on the staff member's evaluation. Written feedback will be provided within ten school days.

Additional classroom visits, "walk-throughs," and face-to-face interactions may occur throughout the school year and assume an ongoing professional relationship between the teacher and the evaluator. While observations and related written feedback will be supplied as described above, evaluators may utilize any effective method to provide additional feedback, both positive and negative, to a teacher regarding his/her performance.

Teacher evaluation will be conducted by a **primary evaluator** (a PCES administrator who has completed a systematic evaluation training process, i.e., RISE) who has ultimate responsibility for completing the evaluation tool. The primary evaluator will:

- take into account information from a variety of sources collected throughout the school year including, but not limited to, the Principal Input form (which will be shared with the teacher), observations, conferences, required documents, etc.
- track teacher evaluation results and help to set teacher goals
- perform a minimum of one 30 minute observation
- determine the teacher's summative rating.

A **secondary evaluator** (a PCES administrator/coordinator who has completed a systematic evaluation training process, i.e., RISE) may make observations, collect data and provide support to the teacher and/or primary evaluator.

Teachers who score an "Ineffective" or "Improvement Necessary" on their summative evaluation the previous year (evaluation period) are required to have a **professional development plan** monitored by an evaluator.

Teachers who require a professional development plan

- will work with an administrator to set goals at the beginning of the school year
- will have goals directly related to areas of needed improvement
- will participate in a mid-year conference
- are required to use license renewal credits for professional development activities.
